

Project Timeline

Our proposed timeline below sets out the key stages from initial development of the scheme through to completion.

It is intended that an Outline Planning Application will be submitted to Rochdale Council in July 2026.

The Local Planning Authority will then provide and opportunity for members of the public to comment on the proposals submitted for planning.

We welcome your comments on the scheme. Comments can be made by completing the feedback forms available here in person or via our online survey. The web address to view the consultation boards and complete the survey online is listed on the feedback form.
